

Welcome to the West Coast Musculoskeletal Institute. We would like to thank you for allowing us to care for your orthopedic condition. Please help us service your needs by answering the questions below regarding your situation.

- Is your injury/pain related to your **Employment**? Yes No
- Is your injury/pain related to an **Accident**? Yes No
- Is your injury/pain related to a **Law Suit**? Yes No
- Is there an **Attorney** related to this injury/pain? Yes No

If yes, please list the name, address and phone number:

NOTE: *If you have answered yes to any of the above questions, please see the receptionist (or call the scheduling department if forms were downloaded from the website) before completing the remaining paperwork.*

We recognize that your time is valuable and we try very hard to stick to the schedule as to avoid any delay in patient care. Here are some office policies that will help you negotiate prescription refills and paperwork requests. Since these require the physician or PA to review your account, they will be performed at the end of the business day so that our patient in the office do not have to wait unnecessarily.

We require a 72-hour notice to refill prescriptions. Please don't wait until you take your last dose to call and request a refill. Additionally, the practice does not accept checks or American Express, but we do offer other credit and debit transactions.

Paperwork requests are done in the order they are received. We require at least 72 hours to review the medical records and complete the paperwork. If you would like us to fax your paperwork directly from our office, please make sure it signed by you, if needed, before you leave.

Again, let us welcome you to the practice and thank you for helping us stay on course. We welcome any suggestions you may have that will help us become more efficient.

Financial Policy

Welcome to our Office

At West Coast Musculoskeletal Institute and Access Health Care Physicians, we are committed to providing you with the highest level of service and quality care, and we regard your understanding of our financial policies and those of your insurance as an essential element of your care and treatment. If you have any question regarding your account, charges, insurance, or payments, please ask to speak with one of our billing representatives.

Payment Policy

Payment in full is expected at the time service is rendered. For your convenience, we accept cash, credit or debit cards at your appointment. We do not accept checks.

Insurance Plans

If you are insured, we will bill those insurance plans with which we have an agreement. **It is ultimately your responsibility to be aware of the details of your insurance plan.** If you are not familiar with the allowable benefits of your insurance, we recommend that you contact your insurance company prior to your visit so you understand what services are or are not covered. **Please note that if your insurance requires a co-pay, co-insurance, or deductible, it will be collected at the time of your visit.** In the event that your insurance determines that a service is "non-covered," we will bill you and payment will be due upon receipt of that statement.

Self-Pay Accounts

If you do not have a valid insurance plan to cover the cost of services, you will be required to make full payment at the time services are rendered, unless other arrangements have been made in advance with our office.

Outstanding Balances

We appreciate prompt payment in full for any outstanding balance. If you are unable to pay a balance in full, please notify the billing department immediately and we will gladly work out a payment plan with you. Please note that in the event of non-payment, the account may be turned over to an outside collection agency and the expenses will be added to your account balance. Any payment made by check for an outstanding balance that is returned for insufficient funds or due to a "stop payment" will result in a \$25.00 fee.

Referrals

If your insurance plan requires a referral, we prefer that the referral is provided before making an appointment with our office. We do our best to obtain referrals from your primary care doctor, but in the event that we do not receive it, your appointment, if one is made, will need to be rescheduled until the necessary paperwork is obtained.

I understand that WCMI agrees to bill my insurance as a courtesy, and that I must submit information as needed to ensure payment for services. I further understand that I am ultimately responsible for all payment of services.

AUTHORIZATION AND ASSIGNMENT

I hereby authorize West Coast Musculoskeletal Institute and Access Health Care Physicians to release any medical information necessary to process any and all claims for reimbursement on my behalf. I authorize payment to be made directly to West Coast Musculoskeletal Institute (or named physicians or affiliates) for services rendered. I also authorize payment of government benefits to the physician (entity) and any payments related to crossover Medigap insurers. I request that payment of authorized secondary insurance be made either to me or on my behalf to the above-named entity. I understand that I am financially responsible for all charges if they are not covered by my insurance. In the event of default, I agree to pay all costs of collections and reasonable attorney's fees. I certify that the information I have reported with regard to my insurance coverage is correct. I further agree that a photocopy of this agreement shall be considered as effective and valid as the original.
